

## [Calendar tribute to Lord Lichfield](#)

**Posted on Wednesday 30 November 2005**

Renowned photographer, Patrick Lichfield, photographed 17 years of the world-famous Unipart calendars and was working on his favourite selection of images before his sudden death in November.

In his own words, the idea was to produce "a best of the Unipart Calendars." After consulting his family, Unipart has agreed to honour his memory by producing a limited edition, 2006 calendar, featuring the Lichfield Selection. This unique calendar will be made directly available to the public.

The last Lichfield Unipart Calendar will be sold to raise funds for two charities, Acorns and automotive industry charity - BEN. Lord Lichfield was the founding patron of Acorns, a Midlands-based charity which supports three children's hospices as well as providing home-based services. He remained a committed patron and supporter until his death.

Unipart is equally committed to supporting BEN especially in 2005, its centenary year. The calendar is available directly from Unipart at a cost of £18.99 including post and packing. Cheques and postal orders only should be made payable to Unipart Group and sent to Unipart Calendar Offer, Unipart House, Cowley, OX4 2PG.

Said Unipart Group Chief Executive, John Neill: "Patrick became a personal friend during his 25-year association with Unipart. His death was a sad loss for me and all his friends here.

"He was always intensely proud of his work for the Unipart Calendar which took the calendar to new heights of lyrical beauty in new and exciting directions.

"Patrick's personal choice of photographs allows a fascinating insight into an artist's mind. This calendar represents his journey over 17 years of shoots and is a lasting tribute to one of the greatest-ever British photographers."
